1979 Napa Valley Marathon

first race from Calistoga to Van Leer High 1

TO THE RUNNERS: We want to thank you for making our marathon a very special and memorable event. You made the marathon great for those of us who worked. We wanted to do well for you because our purpose was to serve the runner while he or she was trying to run his or her best in whatever way each one defines this to be. I want each and everyone of you to know that you are the people that I want back next year with your friends. We were first timers, most of us, with this marathon; and you runners answered our invitation to come run and made our first time a happy and rich experience.
